A Message from the Chief of Police

To my Neighbors and Fellow Residents,

At the Village of Mohawk Police Department, we believe that true public safety is built on more than just patrols and service calls, it is built on the strength of our relationships. Our mission is simple: to protect our neighbors and enhance the quality of life that makes our village such a special place to call home.

We carry out this mission by leaning on three essential pillars: Honor, Integrity, and Partnership.

- Honor means we never forget the deep history of the Village of Mohawk or the sanctity of the badge we wear.
- Integrity is our promise to you that we will hold ourselves to the highest ethical standards, doing what is right even when no one is watching.
- Partnership is the heartbeat of our department. We operate with the fundamental truth that the police are the public and the public are the police.

We don't just work in this village; we are part of its fabric. Whether we are assisting a resident in need, protecting our local businesses, or simply sharing a conversation on Main Street, our goal is to provide transparent, professional service with a "small-town heart."

Safety is a shared journey, and we are proud to be your partners in keeping Mohawk a secure and welcoming community for every family. My door is always open, and our officers are always here for you.

Thank you for your trust and your partnership.

Sincerely,

Bradley M. Morse
